

Spinnaker 034 Extendable Table

Design Gordon Guillaumier

Technical Information

The exclusive extending outdoor table SPINNAKER draws its expressive power from a severe and extremely modern design, which simultaneously highlights the solidity of the material and the lightness of the top. Able to seat up to twelve people comfortably, SPINNAKER is a quick, practical solution, ideal for "last minute" invitations and satisfying the desire for company in the comfort of your own home and your own space. The extension system is characterised by a tip-up opening mechanism that can be activated running the top along the guides. SPINNAKER has a solid teak slats top and geometric, continuous metal painted legs for outdoor use.
